Something for everyone at Milton Produce Show

We celebrated the tenth annual Milton Produce Show this year. The people of Milton (and further afield) once again impressed with a fantastic range of

home-grown produce, handicrafts, baking, preserves, photography and more.

In total we had 146 entries from 21 different people, but three names stood out: Jane Veress,

who won the cup for handicrafts with her beautiful crocheted blanket and cushions; Jan Morrissey, who won cups for her flower arrangement, carved vegetable

creation and delicious loganberry vodka, and Jonathan Western, who won in vegetables, fruit and baking, as well as taking home the coveted Cook Award!

Thanks go to the judges, the Country Park for hosting, and to everyone who entered. We'll be back next autumn so look out for notices nearer the time.

EACH Carol Service

East Anglia's Children's Hospices (EACH) would be delighted if you could join us on the 18th December for our Christmas Carol Service at All Saints' Church, Milton.

The service will commence at 7pm and will be followed by mince pies, teas and coffee.

We are really looking forward to this year's event, which will include traditional songs, heartfelt readings and some wonderful performances that we know will be popular with our families, friends and supporters; so please feel free to invite your family and friends too.

The service will end with a retiring collection, raising vital funds to support the children and families we care for.

This is a great opportunity to say thank you to all of our supporters and to bring the local community together.

If you would like to attend, and for any questions, please contact the fundraising team on 01223 204916 or email cambs@each.org.uk.

Christmas Greeting from the Rector

Dear friends, Why not include church in your celebrations this Christmas? Many people of all backgrounds from the Milton community join together at this special time to celebrate the story of the birth of Jesus. Even if it's the only time in the year that you come to church, you will be made very welcome.

There's a real variety of services to choose from this year at All Saints', from the traditional to the 'Messy'! I look forward to welcoming you. Wishing you a very happy Christmas and every blessing at this time of celebration.

Rev. David Chamberlin, Rector of Milton

It's a Wrap! Gift Wrapping Service

I've started up a little business of wrapping presents and as Christmas is fast approaching, I thought this would be a good time to let people know.

The cost is:

- * 50p per present (if you supply your own wrapping paper)
- * 80p per present (if I supply wrapping paper)
- * +20p per present for ribbons & bows

I can also wrap birthday presents, etc. For further information, please contact me via email: jayne508@hotmail.com

Or message me via Facebook at "It's a Wrap".

Etheldreda Medal for Sue Nunn

On Sunday 7th October in Ely Cathedral, Sue Nunn of Coles Road was presented with the Etheldreda Medal by the Bishop of Ely. The medal, named for Etheldreda, the founder of the monastery at Ely that predates the Cathedral, is awarded to a small number of people each year for outstanding service to church and community. Sue's award is in recognition of many years of devoted service to All Saints' Church and the wider community of Milton, mainly through her involvement with the All Saints' Toddler Group and Baby Group, but latterly also with the Patient Participation Group and the Community Café. Congratulations to Sue!

Fen Road Resurfacing

After years of potholes, Fen Road has now been resurfaced as far as the level crossing, making a much smoother ride, particularly for all the cyclists who use Fen Road for their commute to work each day.

The original plan was for the resurfacing to continue all the way to the river. However, County Council Officers have explained that:

“The intention was indeed to resurface all of Fen Road – funded as part of GCP Greenways Quick Wins, but on the day the Network Rail supervisor would not allow the large roller over the rail crossing, despite working methods being previously agreed with them.

The plan is to return to complete this in mid-December.”

Jolly Brewers Closed

The Jolly Brewers is currently closed until further notice.

The kitchen closed on 21st October, and the pub has been listed for sale through Everard Cole Ltd.

The listing says that “The vendor will consider granting a new 'free of tie' lease (with an option to purchase).”

Santa visiting Milton!

Santa and his CamSAR helpers will have their pre-Christmas visit to Milton again this year, from 4-9pm on 8th and 9th December. You'll be able to see Santa's sleigh, with the lights and music (no sirens this year, to help little ones sleep).

CamSAR will publish route details closer to the time on the "Milton Community" Facebook page, and show Santa's progress there through both evenings.

A huge thank you to everyone in Milton for last year's support and generous donations.

Playground Resurfacing

The new play area in Milton Country Park will not be accessible for the next few weeks while the new turf beds in. It should be open again around mid-December, depending on conditions.

This is important work that will ensure a much better playing surface in the long run and has been scheduled for a quieter period of the year to minimise disappointment.

Parish Council Chairman's Report

Mobile Vehicle Activated Sign (MVAS)

I'm pleased to say that during the time the MVAS speed sign was in position in Ely Road, most drivers were recorded as staying well within the speed limit with the average speed recorded as 25.43 mph. Only 3.4% were recorded as travelling over the speed limit. Sadly, there was one recording

of someone travelling at 60mph.

The MVAS was purchased jointly by the Parish Councils of Milton, Waterbeach and Landbeach and a group of representatives of all three councils arrange when and where the sign will be located. They also put the sign in position. We are expecting the sign to be located in Cambridge Road in the near future.

Responsible Parking

In recent months, we have had a number of residents contact us asking us to try to get the County Council to install double yellow lines in areas where people park too close to junctions or are parking their cars irresponsibly. If there is a serious problem with parking, the police are able to act and we suggest you contact them direct. It is an offence to park within a certain distance of a

junction (usually 10m, with or without double yellow lines).

First World War Centenary

To commemorate the centenary of the end of WW1, we have arranged for three metal seats to be installed on the green areas by the War Memorial in Coles Road. These seats have scenes including a field of flowers with doves, the First World War and the Second

World War, and replace the existing three seats that had become uneconomic to repair. The new seats should be installed by the end of November. The cost of replacing these seats is coming from the Parish Council's Arts Budget of £50,000 which was handed over to the Parish Council by Bellway Homes as part of the planning agreement for North Lodge Park. This money can only be used for arts projects and a sub-group of the Parish Council are looking into other projects that can be funded by this money.

Old Photos of the Village on the Web

We have been uploading some old photos, including the Harrold Easy collection, onto the parish council website and are currently adding captions. We hope this part of the website will go live during late November. Please contact us if you have any additions

for the captions etc. The Millennium Book has also been scanned to a searchable document which we hope to upload soon.

Public Participation

If you wish to raise anything with the Council you can do this in several ways: by telephoning the Parish Office, by emailing or writing to the Clerk, by popping into the Parish Office and speaking to the Clerk or by attending and speaking at the beginning of one of our meetings.

Parish Councillors Needed

We are at present a council who should have 15 members, but for some years now we have struggled to attract enough people to join us. If you would like to get involved, please contact the Clerk as there are a number of vacancies and we would be very pleased to have more people join us.

I have now been Chairman for almost 5 years and plan not to seek re-election as Chairman but will remain a Parish Councillor.

MILTON DOCTOR'S SURGERY

We are very pleased to welcome Dr Cain Hunt to Milton Surgery to join Dr Steward. Cain trained at Addenbrookes Hospital and did his GP training locally in Huntingdon. He is married with two small children, one born since joining the practice, and his wife is also a GP.

The surgery has increased in size recently, taking over the bottom half of the next door house which was previous Dr Drapers. [...]

We are in the process of introducing a computer, a new fax machine and several new telephone lines to improve our accessibility.

Community gritting volunteers needed

The Parish Council has put out a request for volunteers to help with the Community Gritting Team. Under this scheme, the parish council agrees specific routes in their area which are important to the local community and agrees them with the county council. Volunteers undertake training and grit the routes, including the Jane Coston bridge.

Please contact the Clerk of the Parish Council if you are interested, on:

Archaeological Clarification

The parish archaeological warden, Derek Booth, has written in with more background to "Scheduled Ancient Monuments" (MVV 134). In 2005, Mr. Booth found a large amount of pottery shards in the fields. He instigated further investigations with Oxford Archaeology East, Hills Road and The Perse from 2006-2008, giving the evidence needed for him to advise the Parish Council to apply for Scheduling for the site in 2017, thus preserving the Roman and mediaeval remains against potential development.

Milton WI

In October, we welcomed Helen Green who spoke to us on "From Home to the Western Front", a fitting talk on WWI army recruits and what happened to them through enlisting, kitting out, being put into platoons and fighting in the trenches. She had many photographs and information about the troops and their lives outside the harrowing fighting itself. We also had a Craft and Produce Sale of members' goods along with a display of other items made by our members for either charity or pleasure.

In November, we'll be looking forward to an evening with Sue Stephenson who will be bringing the "The Swinging 60s" back into our lives!

Lunches and Christmas festivities will follow along with our usual walks, afternoons playing board games, etc. January's meeting will be 'in house' with social time for chatting and discussing WI Resolutions.

New members are welcome. Contact our President Gill Offley (01223 293231) or Secretary Bridget Crow (01223 441755) for further details, or just come along. Meetings are on the third Tuesday of each month (except December meeting) at 7:30pm in the Church Hall.

Milton Mothers' Union

In October, Mothers' Union made history in electing its first ever Worldwide President from outside the British Isles. Mothers' Union leaders from across the globe voted for Mrs Sheran Harper, from Guyana, to lead the movement's four million members in 84 countries. A new triennium begins in January and there will also be new leadership at both diocesan and local level. With the approach of Remembrance Day and the First World War centenary, we will be making poppies and sharing stories of how Mothers' Union responded to the war in our November meeting.

25th November is the International Day for the Elimination of Violence against Women. It is also the start of 16 days of activism against gender-based violence. Our members will attend a vigil at Ely cathedral during this period. We will collect toiletries for distribution in a local women's refuge and a hostel for vulnerable young women.

In December we will join the Wave of Prayer, praying for members with whom we have special links in overseas dioceses: Lusaka (Zambia); Shyogwe (Rwanda); Sokoto & Ikka (Nigeria) and Karimnagar (India). This will be followed by a Christmas meal shared together in the White Horse. A lovely end to a busy and productive year.

Scouting In Milton

Beaver Scouts (6 to 8 years old) We've recently had lots of fun making smoothies, playing games and carving pumpkins! We've got lots more planned for this year but the highlight is our Christmas Play at the end of term so we've got lots of rehearsing to do until then!

Cub Scouts (8 to 10½ years old) We've recently cooked on open fires and fundraised for Jimmy's Night Shelter. This term we listened to the Cubs' ideas for the things they'd like to do on Fridays so there's plenty more fun activities coming too! We'll be going to an archery event, visiting the computer museum and getting the chance to make and eat ice cream!

Scouts (10½ to 14 years old) Having had an exciting time away on our Summer Camp experiencing karting, axe throwing and visiting an Aqua Park, there is plenty more that we have planned! We look forward to getting hands on with survival skills, archery and martial arts over the coming months.

Explorer Scouts (14 to 17 years old) Also known as The Milton Mud Muppets, each night is chosen and occasionally run by the Explorers themselves. Nights can vary from outings such as laser quest to outside games and fire lighting. We too have been to summer camp, where we enjoyed a week of cooking on open fires and trying out activities that we wouldn't get to do locally! We enjoyed going on some amazing hikes whilst putting skills that we've learnt throughout the year to the test!

Are you interested in joining our team? Subject to the appropriate checks, there are many ways you can get involved in adult Scouting, from being in a uniform running activities to being behind the scenes on our fundraising and development groups! If you are interested, please email us at gsl@50thcambridgescouts.org or visit our website at www.50thcambridgescouts.org

Volunteers Needed By EACH

Finance Department Assistant

East Anglia's Children's Hospices (EACH) are looking for a friendly and enthusiastic volunteer to assist our Finance Department, based at our Head Office in Milton. Volunteers will be required to help count and log money donations kindly given to us by the public, assist with minor data inputting and general admin assistance within the office. We are looking for a volunteer who can help either one morning/afternoon per week but we can be incredibly flexible with times and the post is subject to an informal interview and two satisfactory references. If you have one hour to spare or two we would love to hear from you. Please contact Vicky Hughes on 01223 205183 or alternatively volunteerservices@each.org.uk

Milton Hospice Maintenance

East Anglia's Children's Hospices (EACH) are looking for volunteers with a keen 'fixer upper' attitude to assist our facilities team with the general day-to-day maintenance tasks at our hospice based in Milton. Roles include general DIY, routine equipment and compliancy checks, assisting with the setting up of equipment and supporting the facilities team with general repairs. Volunteers will be required to attend an informal interview, and positions are subject to an Enhanced DBS (Disclosure and Barring Service) and two satisfactory references. A minimum of one morning or afternoon per week is desired however we can be very flexible. Please contact Vicky Hughes on 01223 205183 or alternatively volunteerservices@each.org.uk

Christmas Collections

EACH are looking for festive volunteers to help at our Christmas collection on 21st December at Milton Tesco! The collection will run from 9am-5pm, accompanied by some music. We will need pairs of volunteers to cover 2-hour shifts and all you will need to do is smile with one of our buckets and watch the donations roll in! If you would like to take part or for further information please contact Ellen on 01223 204916 or email ellen.bing@each.org.uk

Wildlife Notes

I'll start with what feels to me a very worrying observation. Or rather, lack of observation. After saying in my last column how busy our hedgehog feeding station had been much of the summer, that activity has dropped off: I've not seen a hedgehog since mid-late August. A hedgehog enthusiast around the corner also reports a disappearance of hedgehogs and says a friend has also reported a total lack of hogs. Although natural food may have been abundant, I'm not sure they would totally shun easy meals so conclude there are no hedgehogs in my sector of Milton currently. I hope it's not that someone saw a rat, panicked, and has managed to wipe out much of the wildlife in the area. Rat poison is non-specific in its action and will kill any mammal or bird that is unfortunate to consume it, including family pets.

I've had a report from Milton wildlife enthusiast Derek Booth of a red kite along Butt Lane, near the entrance to the tip. I wish I'd seen it. (See *photo on p.12* —ed) He also reports seeing the blackest grey squirrel he's ever seen near the Community Centre.

Taking my car to the local garage is good for my wildlife observations if I can't cadge a lift home; it's a pleasant walk through the Country Park. My mid-September MOT produced more excellent sightings of kingfishers, both on Todd's and Dickerson's Pits. The great crested grebes seem to have had a decent breeding season, with the youngsters still being very noisy and hassling their parents for food.

I've had the odd sighting of kingfishers along the river, both below Baits Bite Lock and along the Long Reach. I feel it's too busy, both on the water and on the banks, for them to stay long so close to the city, but hopefully I'll continue to see one downriver. At the end of October there were three little grebes below Baits Bite Lock. (See photos.app.goo.gl/XTyjPeppoRMXAd527 for more wildlife photos from David May. —ed)

Although we've had a recent cold snap, I think it's been fairly mild so far. There are still plenty of berries on both the hawthorns and the lovely pyracantha hedges in the village, but I am spotting an increasing number of birds near them, so I'm sure they will be bare soon.

Milton Tennis Club

Milton Tennis Club have enjoyed another good year, culminating in our very well-attended end-of-season dinner at the beginning of October. The 2018 winners from our 'in-house' tournaments were:

- Dant Cup: Angela Crick/Karen Momber and Barrie Crick
- Barham Cup: Rosie Eggo and John Whitehouse
- Nick Lock Cup: Angela Crick/Karen Momber and John Whitehouse

LTA League results: Ladies 5th in Division 6, Men's 6th in Division 9, Mixed 2nd in Division 8.
Business House League: 2nd in the Men's matches

A Mixed team was entered in the Super Seniors matches for the first time. All players are aged 60 and over and matches consisting of 3 sets are played during the day. These were very enjoyable, social occasions, although Milton only won one out of five matches. We aim to improve next year!

Tennis continues throughout the winter with club nights on Wednesdays and the LTA winter league. If you are a lapsed tennis player and want to get back into the game, come along and meet us on a Wednesday evening, or contact one of the committee. We have two great coaches in Samy Fennich and Greg Ryder. Samy holds coaching sessions for juniors after school on Fridays and he runs holiday camps. Greg's pre-match coaching sessions are invaluable and he also holds general coaching sessions during the summer.

Summer

When I think of summer,
I think of the birds and bees.
When I think of summer,
I think of the big green trees.
When I think of summer,
I think of the birds that fly.
When I think of summer,
I believe nothing can die.
When I am in summer,
The sun is burning on my head,
And oh no the grass is dead.
When I think of summer,
Everything is ok.
But here comes winter coming to
take my summer away!
